I love Calendarscope and now that I have it on my PDA, I'm able to take it with me.. The program is also supposed to ask the user if the user wants to continue, and if the user answers yes, then it will print the calendar for another year.. I really appreciate how active you are working to make this calendar program better and better. ae05505a44 [Download free Sound Recording Program Free Windows 7 software](#)
